

FLAIR Fellowships

Are you an African early career scientist with the potential to become a leader in your field?

We are looking for talented African postdoctoral researchers who are in the early stages of their research career and ready to establish their scientific independence in a sub-Saharan African institution.

Future Leaders – African Independent Research Fellowships (FLAIR) offer generous funding and support to undertake cutting-edge scientific research that will address global challenges facing developing countries.

To find out more and to apply visit royalsociety.org/flair or aasciences.ac.ke/aesa/flair

Deadline: **Wednesday 20 June 2018, 3pm BST**
